The Catholic Parish of Kenilworth

As a parish community we are working towards the CAFOD livesimply award.

Awarded to communities who:

- Live simply
- Live in solidarity with people in poverty
- Live sustainably with creation.

We will be posting livesimply project updates on the parish website / Facebook and newsletters

We need your help with details of all the things we do and ideas for things we could do, together or as individuals to *livesimply* for others.

Contact us with ideas, offers to help or questions.
